TPO’s Message

I am thankful to all the corporate houses for their trust and consistent support in enabling the successful completion of the final placement process at DoMS, IIT Roorkee. With the last placement season, this institute’s position among the nation’s premier B-schools is strengthening every year.

The addition of many new recruiters and the fruitful results in the placements can be owed to the placement committee's hard work and the support of the entire teaching and non-teaching body of the institute. There was an upward trend in the diversity in roles offered, and the number of roles offered, even during these trying times. This adds a lot to the institute's spirit, to perform against any number of odds.
